

# Lemon-Eze™

Consult your Ecolab specialist for specific use directions. For service and additional information 24 hours a day, seven days a week, call: 1-800-35-CLEAN (352-5326).

**SAFETY REMINDER:** *Before using this or any other product, make sure your employees read and understand the product label and Material Safety Data Sheet — both contain appropriate hazard warnings and first aid instructions.*

## Creme Cleanser

- **Tough on Stubborn Soils**  
LEMON-EZE quickly removes difficult spots, soap scum buildup, rust, scuffs, grease, rubber marks, and more. Leaves surfaces clean and shiny.
- **Gentle on Surfaces**  
LEMON-EZE effectively cleans without harsh abrasives. Will not scratch or dull surfaces when properly used.
- **Variety of Uses**  
Mildly-abrasive, clinging formula is ideal for many surfaces. This versatile product can be used in public restrooms, guest baths, and foodservice areas.
- **Fresh Lemony Scent**  
Its light, lemon fragrance provides a clean, fresh-smelling environment for your customers and makes LEMON-EZE pleasant to use.

## APPLICATIONS

Bathtubs, shower stalls, tile, sinks, countertops, stainless steel, chrome, plastic
